SUMMARY

Data Analyst with hands-on internship experience at Novitech Pvt Ltd. Skilled in SQL, Power BI, Excel, Tableau, and data visualization with knowledge of dashboard creation, data cleaning, and business analytics. Passionate about transforming raw data into meaningful insights and seeking an opportunity to grow in a data-driven organization.

WORK EXPERIENCE

Data Analytics Intern | Novitech Pvt Ltd

Dec 2025 – Jan 2026

- Worked on data analysis, SQL querying, and reporting using Excel and Power BI.
- Cleaned and transformed raw datasets for accurate reporting and visualization.
- Created interactive dashboards to analyze sales and business performance.
- Assisted in generating business insights from datasets for decision-making.
- Gained hands-on experience in KPI tracking, dashboard creation, and data analytics workflows.

PROJECTS

Blinkit Sales Dashboard | Power BI

- Developed an interactive sales dashboard analyzing revenue, profit, and product performance trends.
- Created DAX measures for Total Sales, Profit %, and Average Order Value.
- Implemented filters and slicers for category, city, and date-based analysis.
- Generated KPI reports to support business decision-making and performance tracking.

HR Analytics Dashboard | Tableau

- Built an HR analytics dashboard tracking employee attrition, hiring trends, and department performance.
- Designed calculated fields, charts, and interactive visualizations using Tableau.
- Analyzed workforce data to identify employee retention patterns and HR insights.
